UNDER THE AEGIS OF DELHI PUBLIC SCHOOL SOCIETY

COMMUNITY

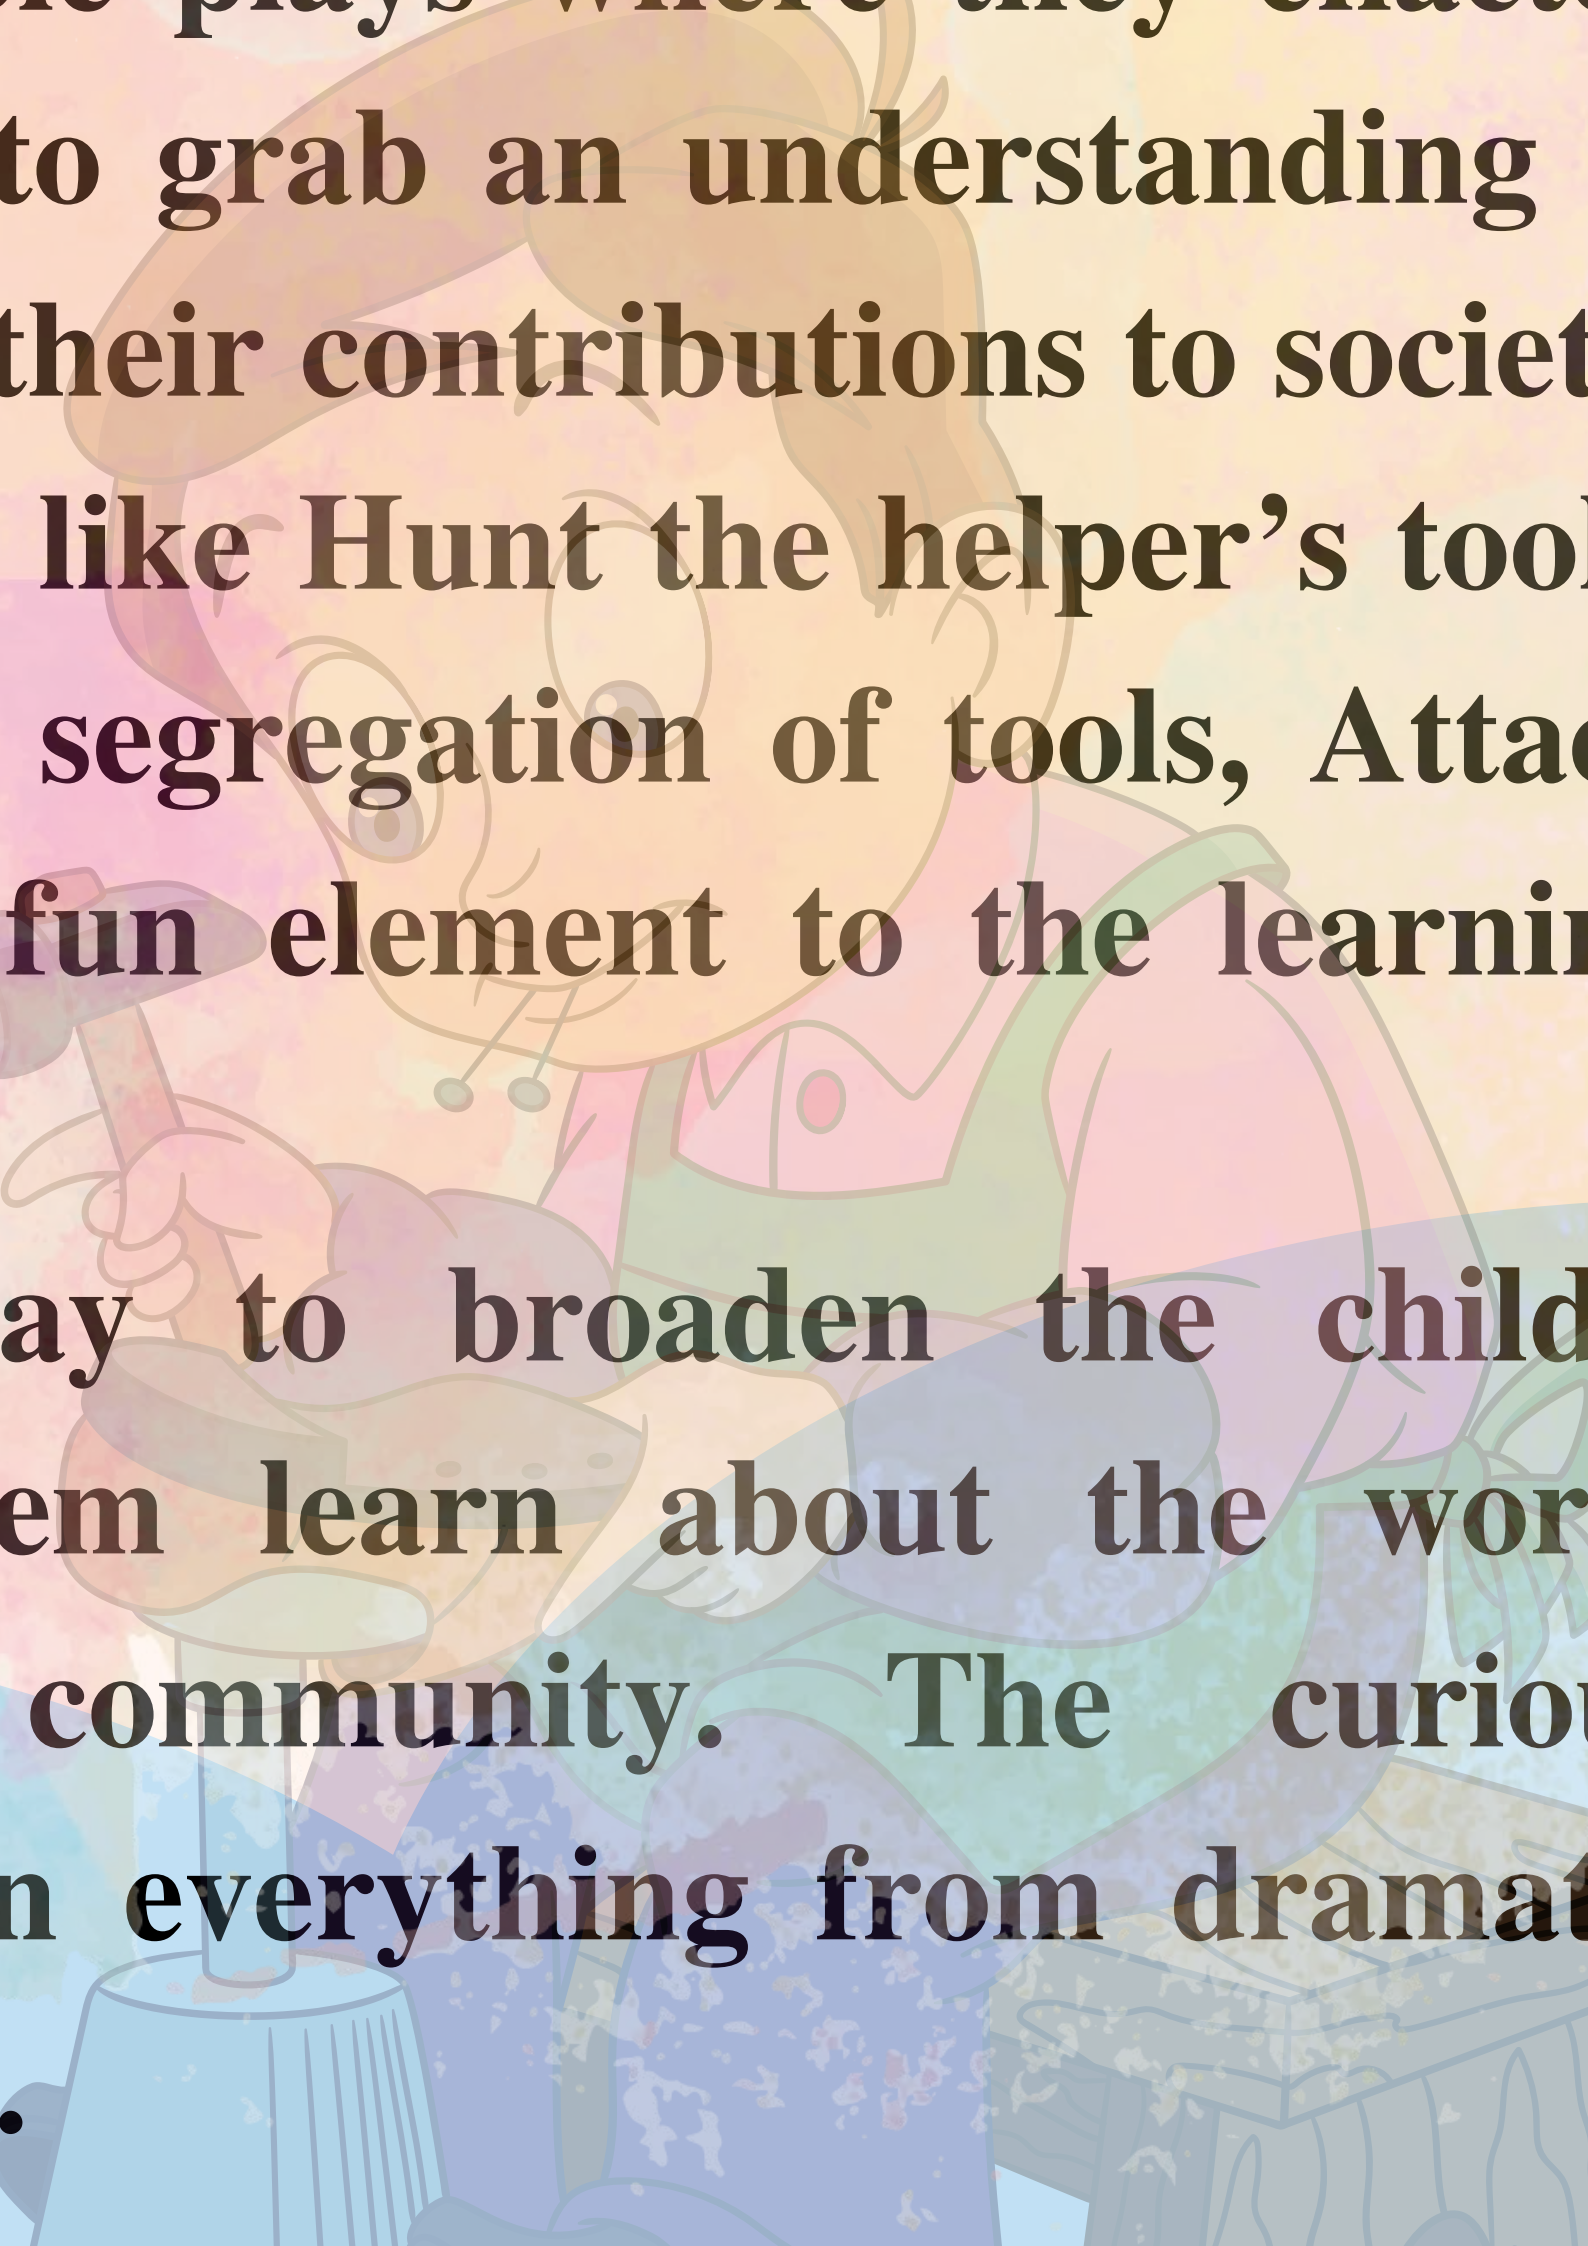

helpers

“To become a better you, remember to be grateful to people who have contributed to making you who you are today”.

Community Helper-themed activities and lessons encourage preschoolers to think more closely and appreciate all the people in their community who work to keep us safe, healthy, well-fed, and educated!

The tiny tots of classes pre-nursery, nursery, and prep participated in role plays where they enacted as community helpers to grab an understanding of the roles they play and their contributions to society. The puzzles and games like Hunt the helper’s tools, find the missing piece, segregation of tools, Attach and Label, added the fun element to the learning experience.

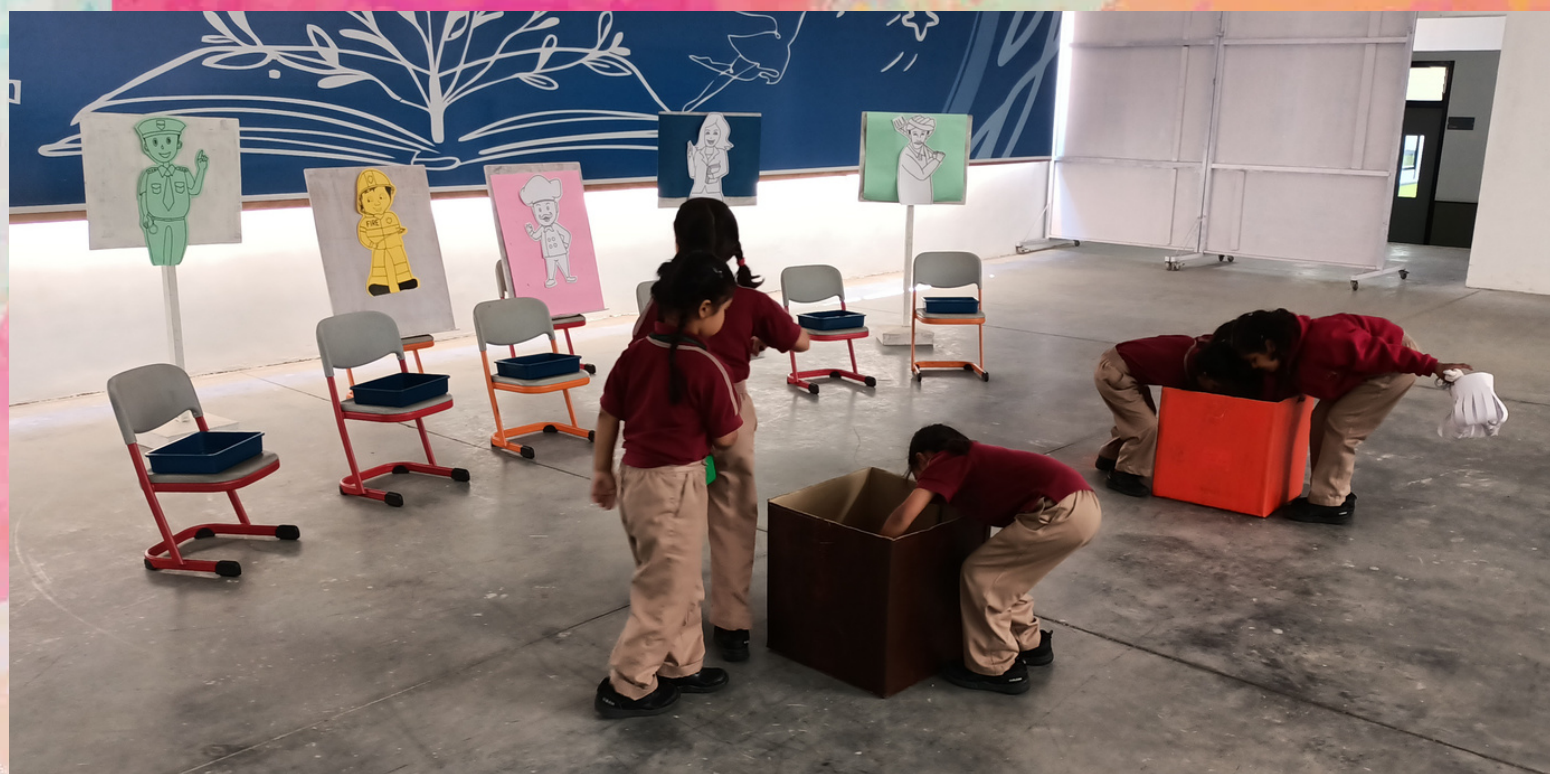

It was a fantastic way to broaden the child’s horizons and help them learn about the world beyond home—their community. The curious learners participated in everything from dramatic play to fun-filled games.
