AT DPS

**‘Freedom in mind, Faith in words
Pride in our hearts, memories in our soul
Patriotism should flourish in you me and all.’**

DPS Vapi Team believes in sowing the seeds of patriotism in the young budding souls. On the occasion of 76th Independence Day the students of pre-primary department, high on patriotic spirit refined their motor skills while creating artistic artwork. Pre-nursery class students crafted a tricolor fan. The little tots of Nursery created flag formation with balloons and beautifully drew a flag and filled it with the tricolors. The classroom was echoing with the spirit of nationalism while children sang patriotic songs. The champs of prep class created a tricolor bird hanging, a product high on utility. They also enjoyed and relished tricolor delicacies during the break time sent by the parents. The students were explained the meaning of the tricolors and the glory of our flag, post which the enthusiastic troop of students of classes I and II created a tricolor stick aeroplane figure and a bookmark.

It was indeed meaningful and enjoyable for the students to be a part of creative activities.
